AUGUST ACCEPTANCE ONLY. FREE DELIVERY AUTUMN
1939 AND SPRING 1940.

GARDENS OF THE BLUE RIDGE

E. C. ROBBINS, Nurseryman

ASHFORD, McDowell County, NORTH CAROLINA

Dear Customer Friend:

We want you to be among the first to know about the most extraordinary offer ever made to buyers of Hardy Native American Plants.

On all orders for our Nursery Stock for delivery fall and spring, 1939-1940, WE WILL PREPAY ALL TRANSPORTATION CHARGES AT THE FOLLOWING NET PRICES, PROVIDED THE FULL AMOUNT IS SENT IN CASH WITH ORDER ON OR BEFORE AUGUST 31, 1939. POSITIVELY THIS OFFER WILL BE WITHDRAWN SEPTEMBER 1, 1939. Further you may make your own selection from this list, or you may make your personal selections in our Nurseries, at no increase in prices. OUR LARGE ORGANIZATION OF TRAINED NURSERYMEN ARE PREPARED TO GIVE YOUR ORDER, LARGE OR SMALL, PROMPT EFFICIENT SERVICE AT THE PROPER TIME.

We believe this offer is the first of its kind ever made to the buying public. It carries a large saving to the purchaser in cash at our expense to induce early orders and help us clear some land for fall planting. IT WILL PAY YOU TO BUY NOW! All orders are guaranteed to arrive in good condition at destination. Satisfaction guaranteed.

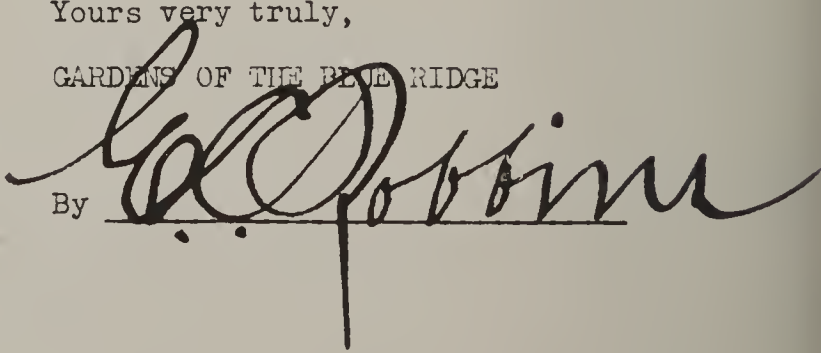

This unusual offer may never repeat — but for the months of July and August, it is just as sincere as we know how to make it. Look over this list promptly and order a few cars or truck loads. But remember your order will be accepted for any quantity desired, whether it be for a single plant or ten carloads. The binding consideration is the order must be placed before September 1, 1939 and the full amount in cash sent with the order. Delivery at proper planting season around September 1st when the stock is well ripened, unless otherwise instructed.

We sincerely appreciate the business you have given us in the past and assure you of our continued efforts to please you. Opportunity may knock only once. Inviting you to buy now and save, we are,

Yours very truly,

GARDENS OF THE BLUE RIDGE

LEAF-MOLD

The Plant Food that nature intended. This material is collected from dense Rhododendron beds. It has no artificial treatment. Renovate your plantings, Azaleas, Rhododendrons, Kalmias, Leucothoe, Andromedas, Hemlocks, Pines, Orchids, Ferns, Lilies, Trilliums, Perennials, and all Natives, with Nature's own provided Plant Food.
"BEST BY TEST".

This treatment will feed the Plants, and give your soil proper acid condition to insure the best in flower, foliage and root system. Also build up your lawn with this product. Cheaper to protect than to replace.

Special price will be quoted on request.

HARDY NATIVE ORCHIDS

Native Orchids are universally admired. These beautiful Gems of our woodland can be successfully grown. No class of native plants are more interesting or beautiful.

	Each Rate 1-14	100 Rate 15-249	1,000 Rate 250 & Over

HARDY NATIVE FERNS

Natural Planting, high up in the Blue Ridge Mountains

HARDY AQUATIC AND BOG PLANTS

In nearly all grounds large or small there are wet places, either streams, ponds or bogs, and often by judicious treatment these spots can be made the most attractive bit of land- or waterscape. Bog plants usually are very remarkable in shape and color of leaf and flower and very beautiful.

	Each Rate 1-14	100 Rate 15-249	1,000 Rate 250 & Over

ROCK GARDEN—*Native Perennials*

NATIVE HERBACEOUS PERENNIALS

A Bed of Perennials Is A Perennial Joy!

Autumn is the logical time to move many of the native plants. In fact, all the natives in this list can be moved with entire safety in autumn, and when spring days come they will be ready to start off quickly. In this list will be found a variety of Hardy Herbaceous plants that will give a showy succession of bloom from early spring to late Autumn. Nearly all are of easiest culture.
